Dear Mr. Ng and Mr. Hafner,

I would like to personally thank you, *ST Aerospace Mobile, and its employees* for their generous support to the Waterfront Rescue Mission collections drive on November 9 & 10, 2011. STA Mobile and its employees provided approximately 1,188 pounds of donations. With every \$2.23 raised for the Waterfront Rescue Mission, we are able to provide a hot meal for a homeless person here in Mobile County. With STA Mobile employee's donations – their efforts raised a minimum of \$356.40 - which is equivalent to almost 160 hot meals to men and women in need!

Waterfront Rescue Mission was created to spread the Good News of Salvation by serving the needs of the poor, addicted, abused, and homeless. Through our various programs, we help men and women improve the quality of their lives by producing real change through the love of Christ. With the help of donors, the Mission is able to provide compassionate help, individual attention, and a plan for success to those who are hurting and hopeless.

With the support of the **Waterfront Rescue Mission's Recycling & Donation Center of Mobile**, every effort to put donations to its best possible use is found by distributing an assortment of gently-used items to the *Mission's Bargain Centers* throughout the Florida Panhandle and the Gulf Coast of Alabama. ***Nothing goes to waste!*** Even the plastic bags or cardboard boxes that are used to transport donations will be recycled to help fund our homelessness and addiction recovery programs.

I would like to invite you to stop by and take a tour of our facility so you can see how we together can help those who are in need. You can contact me at the numbers listed below.

Thank you again.

God bless you and all the ST Aerospace Mobile employees,
